## Mass Happy Hour at Sunset Plaza; Bobi Sample Sale

Tuesday, June 15, 2010, by Lisa Boosin

**SUNSET PLAZA**—We are so jealous of sister site Racked NY's weekly [Drunk Shopping report](#), so we're pretty elated to report on the Sunset Strip Mass Happy Hour. It's a thing, every Wednesday night from 5pm to 8pm: Sunset Plaza boutiques, cafes and hotspots will offer a little something-something. There will be specials on signature Sunset Strip cocktails, and this Wednesday, **LIVE! On Sunset, Code C, Dan Deutch Optical, Nicole, and Chez Bop** are offering a tax break special. A few of the boutiques will have special events of their own, including Chez Bop, who's throwing a special reception with champagne, some new merchandise, a gemologist, and an internationally known astrologer. Fancy! The Chez Bop event runs from 6pm to 9pm [Racked Inbox]
